**Citrix
Workspace**

Citrix Systems, Inc.

打開

8. 安裝完畢後,請如下圖操作,手動新增設定檔.

The 'Welcome' screen of the Citrix Workspace app. It features a back arrow, a title bar with 'Welcome' and a menu icon, and instructional text: 'To get started, enter your company email address or Store URL'. Below this is a text field containing the URL 'https://citrix.ntch.ntpc.gov.tw:8880'. There is a toggle switch for 'Use smart card' which is currently off. At the bottom is a large blue 'Continue' button.

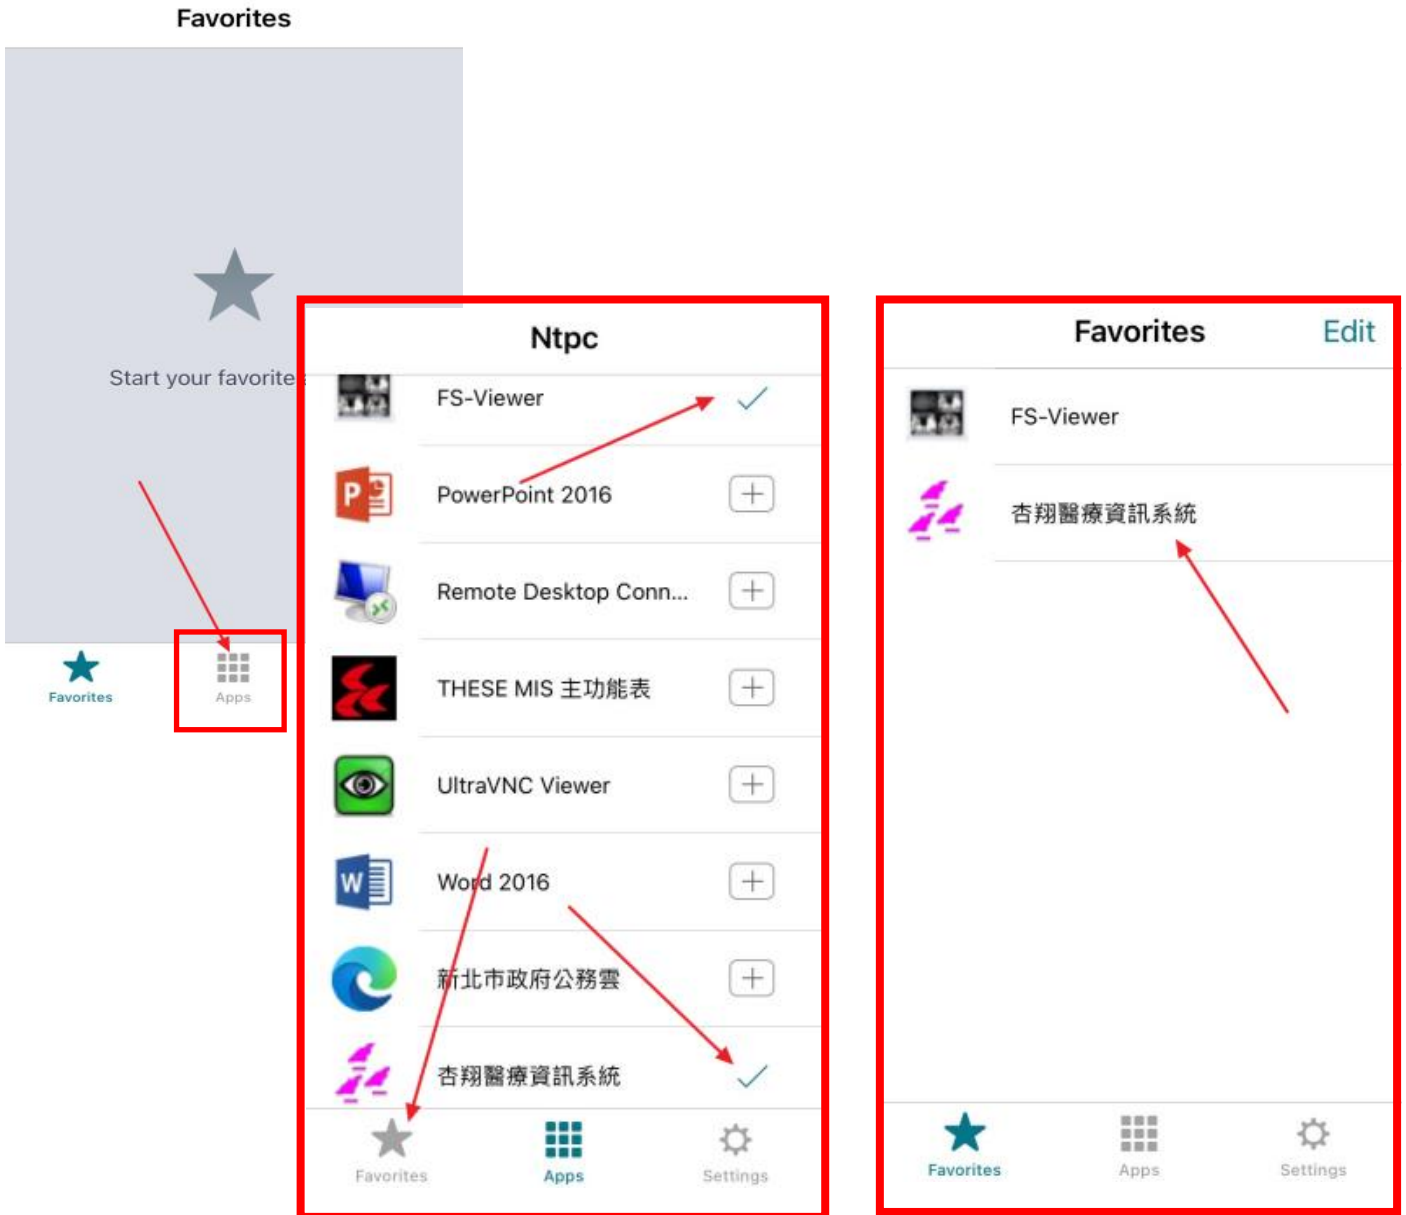

The 'Add Profile' screen in the Citrix Workspace app. It has 'Cancel' and 'Save' buttons at the top. The form includes fields for 'Address' (https://citrix.ntch.ntpc.gov.tw:8880), 'Description' (gov Virtual Apps), 'User Name' (with a red box around the text '填入員工編號'), 'Password' (Optional), 'Domain' (with a red box around the text 'tpch'), 'Face ID' (with a toggle switch), and 'Ignore certificate warnings' (with a toggle switch).

9. 輸入密碼後,按下 Sign in 即可登入.

The 'Sign in' screen of the Citrix Workspace app. It shows the time '2:37' and signal/battery status at the top. Below the status bar are links for 'Cancel', 'Sign in to Citrix Worksp...', and 'Sign in'. The main area contains input fields for 'User Name' (with the text '員工編號' and a clear button) and 'Password'.

如果沒有登入電腦的帳號密碼，請聯絡資訊室協助創建。

10. 如下圖操作,可以自行編輯最常用的程式捷徑,下次點選即可執行.

11. 如果在使用過程中,發現如圖錯誤,請移除 app 再從步驟 7 重新安裝即可.
